RE: Public Records Request - PRR # 26-6921

Dear Charles A. Harold Jr.:

The purpose of this letter is to confirm that UCLA Information Practices (IP) continues to work on your request made under both the California Public Records Act (CPRA) and California Information Practices Act (IPA), dated March 30, 2026, and received by UCLA on March 31, 2026, herein enclosed. As allowed pursuant to Cal. Gov't Code Section 7922.535, we require additional time to respond to your request, due to the following circumstance(s):

- ☒ The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request.
- ☐ The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records that are demanded in the request.
- ☐ The need for consultation, which shall be conducted with all practicable speed, with two or more components of the agency having substantial subject matter interest therein.
- ☐ The need to compile and/or extract data.

IP will respond to your request no later than the close of business on April 24, 2026 with an estimated date that responsive documents will be made available.

Should you have any questions, please contact me at (310) 794-8741 or via email at rpounds@iprecords.ucla.edu and reference the PRR number found above in the subject line.

Sincerely,

Rachel Pounds

Senior Public Records Analyst, Information Practices
