Dear SILVIA HAROLD:

This is to confirm your disenrollment from Navitus MedicareRx (PDP). Beginning 05/01/2026, Navitus MedicareRx (PDP) won't cover your prescription drugs.

What should I do now?

If you have already enrolled in another Medicare Prescription Drug Plan (or a Medicare Advantage Plan with prescription drug coverage), you should get confirmation of your enrollment from your new Plan. If you haven't enrolled in another Medicare Plan, you should consider enrolling in one. If you don't enroll in a new Plan at this time, or you don't have or get creditable prescription drug coverage (as good as Medicare's), you may have to pay a late enrollment penalty if you enroll in Medicare prescription drug coverage in the future.

What if my premium was being deducted from my Social Security/Railroad Retirement Board benefit check?

If your Medicare Part D premium is being deducted from your Social Security/Railroad Retirement Board benefit, please allow up to 3 months for us to process a refund. If you have not received a refund from Social Security/the Railroad Retirement Board within 3 months of this letter, you should contact 1-800-MEDICARE.

When can I make changes to my Medicare coverage?

You can make changes to your Navitus MedicareRx coverage during the annual open enrollment period. In certain situations, members of this group sponsored Part D plan, may be eligible to end their membership at other times of the year. This is known as a Special Enrollment Period. Should you want to leave Navitus MedicareRx coverage to join a different Medicare plan in your area, you must notify your employer group. Please check with your employer group for additional enrollment and disenrollment options, and the impact of any changes to your group sponsored retiree benefits.
